CONTENTS

SPECIAL ISSUE: SUPPLY CHAIN MANAGEMENT

1 **New Developments in Supply Chain Management for the Millennium**
Supply chain management will face new challenges in the millennium. The article describes these changes and points out the importance of developing strategies for long term supply chain profitability
Richard A. Lancioni

7 **New Managerial Challenges from Supply Chain Opportunities**
In this paper, there is a discussion of the evolution of logistics to see how it is defined and practiced today with the intent of highlighting the emerging opportunities for channel performance improvement. It is shown that supply chain management has moved us from an intra-functional *vision of the channel toward an* inter-functional *and even* inter-organizational *one. Examples are given to illustrate the type of problems that are associated with each of these visions*
Ronald H. Ballou, Stephen M. Gilbert, and Ashok Mukherjee

19 **Customer Demand Planning at Lucent Technologies: A Case Study in Continuous Improvement Through Sales Forecast Auditing**
One of the critical drivers of supply chain success is effective customer demand planning. Learn how to conduct a sales forecasting audit to improve supply chain planning from a leading technology firm
Mark A. Moon, John T. Mentzer, and Dwight E. Thomas, Jr.

27 **The Use of Conjoint-Analysis for Measuring Preferences in Supply Chain Design**
The article introduces the methodology of conjoint-analysis as an appropriate tool to evaluate the preferences and expectations of supply chain managers in designing a supply chain
Thomas Reutterer and Herbert W. Kotzab

37 **The Agile Supply Chain: Competing in Volatile Markets**
Flexibility and responsiveness are important elements in a supply and essential for competing in volatile markets. The author describes the need for supply chain systems to become more agile for success in the 21st century
Martin Christopher

45 **The Role of the Internet in Supply Chain Management**
The internet has drastically lowered the costs of distribution and improved customer service in supply chains. This study is the first to document how the internet is utilized in business-to-business supply chain management in the United States
Richard A. Lancioni, Michael F. Smith, and Terence A. Oliva

57 **Calculating the Cost of Variances in the Supply Chain: Determining Supplier and Buyer Effect on Inventory Performance**
This paper presents a methodology for determining the causes of inventory-related variances in the buyer-seller relationship and the costs in the supply chain associated with these variances
Mary Margaret Weber

65 **Issues in Supply Chain Management**
Successful supply chain management requires cross-functional integration and marketing must play a critical role. The challenge is to determine how to successfully accomplish this integration
Douglas M. Lambert and Martha C. Cooper

85 **Improving Marketing/Logistics Cross-Functional Collaboration in the Supply Chain**
What should firms be doing to promote marketing/logistics collaborative integration in managing supply chains is an important question. This article provides an answer
Alexander E. Ellinger

97 **Likelihood of Participating in Mail Survey Research: Business Respondents' Perspectives**
Strategies to enhance response cooperation
Thomas V. Greer, Nuchai Chuchinprakarn, and Sudhindra Seshadri

111 **Leadership and Relationship Commitment: A Focus on the Supplier–Buyer–User Linkage**
Actionable leadership behaviors leading to relationship building in the supply chain
G. Tomas M. Hult, O.C. Ferrell, Robert F. Hurley, and Larry C. Giunipero

121 **Determinants of the Adoption of New Product Development Tools by Industrial Firms**
Who uses new product development tools?
Edwin J. Nijssen and Ruud T. Frambach

133 **The Opening and Reading Behavior of Business-to-Business Direct Mail**
Key success for influencing managers' behavior towards direct mail
Kristof De Wulf, Janny C. Hoekstra, and Harry R. Commandeur

147 **Intuition Can Help in Segmenting Industrial Markets**
Effective segmentation of industrial markets is more than simplistic guesswork or overanalysis of data
Paul Millier

157 **Including Marketing Synergy in Acquisition Analysis: A Step-Wise Approach**
A new approach for assessing and planning marketing synergies among merger partners
John A. Weber and Utpal M. Dholakia

179 **Marketing Information Exchange Mechanisms in Collaborative New Product Development: The Influence of Resource Balance and Competitiveness**
The dynamics of exchange mechanisms in competitive new product development alliances
Helen Perks

191 **Industrial Export Pricing Practices in the United Kingdom**
What competent industrial export pricers do in the UK
Nikolaos Tzokas, Susan Hart, Paraskevas Argouslidis, and Michael Saren

205 **Managing International Joint Venture Relationships: A Longitudinal Perspective**
Partners' mutual contribution, learning and network development are important aspects of international joint venture relationships
Akmal S. Hyder and Pervez N. Ghauri

219 **The Effects of Formal Strategic Marketing Planning on the Industrial Firm's Configuration, Structure, Exchange Patterns, and Performance**
Strategic marketing associates with outcomes of the firm across various contexts
Cindy Claycomb, Richard Germain, and Cornelia Dröge

235 **Preparing the Next Generation of Industrial Sales Representatives: Advice from Senior Sales Executives**
Industrial sales executives offer their opinions on designing and delivering the personal selling course and advising sales-interested students
Michael R. Luthy

243 **Cross-National Industrial Mail Surveys: Why Do Response Rates Differ between Countries?**
How do you improve your response rates in cross-national surveys?
Anne-Wil Harzing

255 **Color Usage in International Business-to-Business Print Advertising**
Color standardization is not always appropriate for international print advertisements
Irvine Clarke, III, and Earl D. Honeycutt, Jr

263 **Comparisons of Alternative Perceptions of Sales Performance**
When the responses of the industrial trade triad were correlated, there was a lack of agreement in assessing a number of important sales performances
Paul A. Dion and Peter M. Banting

271 **Strategic Selling in the Age of Modules and Systems**
When manufacturers are not prepared for modules and systems, how do you sell them?
John W. Henke, Jr.

SPECIAL ISSUE: BUSINESS MARKETING: PERSPECTIVES FROM THE MARKETS-AS-NETWORKS APPROACH

285 **Business Marketing: Perspectives from the Markets-as-Networks Approach**
The Markets-as-Networks approach offers original and unique insight on business marketing issues

293 **Implementing Programmatic Initiatives in Manufacturer–Retailer Networks**
Exploring the adoption and diffusion of complex and hybrid innovations
Stefanos Mouzas and Luis Araujo

305 **Making the Most of Supplier Relationships**
A company needs supplier relationships with different levels of involvement
Lars-Erik Gadde and Ivan Snehota

317 **A Framework for Analyzing Interconnectedness of Relationships**
A way to a better understanding of inter-organizational networks
Thomas Ritter

327 **Strategic Alliances: Partner as Customer**
Understanding and managing complex inter-organizational exchange relationships
Helen Perks and Geoff Easton

339 **Implementing Relationship Strategy**
Impact of internal managers' attitude towards relationship paradigm on relationship outcome
Prabakar Kothandaraman and David T. Wilson

351 **Assessing Relationship Quality**
Research shows that relationship quality means different things to different managers
Pete Naudé and Francis Buttle

363 **Customer Retention, Purchasing Behavior and Relationship Substance in Professional Services**
Studying the effects of relationship substance on customer retention
Kent Eriksson and Anna Löfmarck Vaghult

373 **The Concept of Satisfaction in Industrial Markets: A Contextual Perspective and a Case Study from the Software Industry**
A contextual perspective on satisfaction in industrial markets
Henrikki Tikkanen, Kimmo Alajoutsijärvi, and Jaana Tähtinen

387 **Information Technology and New Product Development: Opportunities and Pitfalls**
Information technology provides immense opportunities for industrial companies, but . . .
Muammer Ozer

397 **The Effects of Personal Value Similarity on Business Negotiations**
Negotiators look for similar values when negotiating in Asia
Swee Hoon Ang, Siew Meng Leong, and Georgina P. S. Teo

411 **"Coopetition" in Business Networks—to Cooperate and Compete Simultaneously**
Simultaneous cooperation and competition is a way of handling relationships to competitors
Maria Bengtsson and Sören Kock

427 **Importance of Alternative Rewards: Impact of Managerial Level**
Six rewards are especially important to sales managers
Alan J. Dubinsky, Rolph E. Anderson, and Rajiv Mehta

441 **The Impact of Internet Use on Business-to-Business Marketing: Examples from American and European Companies**
The Internet use in sales management activities affects both performance and efficiency
George J. Avlonitis and Despina A. Karayanni

461 **Revisiting Firm Characteristics, Strategy, and Export Performance Relationship: A Survey of the Literature and an Investigation of New Zealand Small Manufacturing Firms**
Marketing strategy discriminates high from low performers
David L. Lean, Bülent Mengüç, and Christopher Paul Myers

SPECIAL ISSUE: GLOBAL INDUSTRIAL MARKETING

479 **Global Industrial Marketing: A Look to the Future Introduction by the Guest Editor**
G. Tomas M. Hult

483 **Entering the Japanese Market: A Reassessment of Foreign Firms' Entry and Distribution Strategies**
New methods of market entry provide access to the Japanese market
Michael R. Czinkota and Masaaki Kotabe

493 **The Critical Role of Product Quality in the International Performance of Industrial Firms**
Quality, market orientation, and generic strategies engender superior international performance
Roger Calantone and Gary Knight

507 **Customer-Oriented Invoicing in Exporting**
Invoice currency should be viewed as a strategic tool in export negotiations
Patrik Anckar and Saeed Samiee

521 **International Principal–Agent Relationships: Control, Governance and Performance**
Studies of the performance impact of different control mechanisms in cross-border relationships
Preet S. Aulakh and Esra F. Gencturk

539 **The Pursuit of Global Purchasing Synergy**
Guidelines for success in tapping global purchasing synergies
Wouter Faes, Paul Matthyssens, and Koen Vandenbempt

555 **Initiating Structure for Legal and Ethical Decisions in a Global Sales Organization**
Initiating global sales ethics
O. C. Ferrell, Thomas N. Ingram, and Raymond W. LaForge

565 **Strategic Market Position and R&D Capability in Global Manufacturing Industries: Implications for Organizational Learning and Organizational Memory**
How do business growth and market share relate to exploration and exploitation capabilities of R&D?
Bryan A. Lukas and Simon J. Bell

575 **Level of Import Development and Transaction Cost Analysis: Implications for Industrial Exporters**
How to improve export performance through understanding importer behavior
Constantine S. Katsikeas, Dionisis A. Skarmeas, and Eva Katsikea

589 **Cognitive Moral Development and Japanese Procurement Executives: Implications for Industrial Marketers**
Japanese industrial marketers approach negotiations with different ethical mindsets
John B. Ford, Michael S. LaTour, and Tony L. Henthorne

601 **Market Orientation and New Product Development in Global Industrial Firms**
The relative importance of market orientation to new product success
Brent M. Wren, Wm. E. Souder, and David Berkowitz

613 **Political Activities in the Global Industrial Marketplace**
What are global industrial firms doing to deal with political barriers?
Bruce D. Keillor, Charles E. Pettijohn, and R. Edward Bashaw
